## Subject index

### Volume 83 (1996)

**Acyl- $\alpha,\alpha'$ -trehaloses;** *Mycobacterium tuberculosis*; Mycolipano-  
lic acid; Mycolipenic acid; Glycolipid antigens **83, 1**

**Amino acid-containing lipid;** Ornithine-lipid;  $^1\text{H}$ -NMR;  $^1\text{H}$ - $^1\text{H}$   
COSY; NOESY **83, 169**

**Anesthesia;** Chloroform-membrane interaction;  $^2\text{H}$ -NMR;  
Phospholipid membrane **83, 25**

**Antioxidant activity;** Vitamin C; Ascorbyl palmitate; Vesicle;  
ESR **83, 39**

**Antiproliferative activity;** Cytidine-5'-alkylphosphonophos-  
phate; Cytidine-5'-alkyl(acyl)deoxyglycerophosphonophos-  
phates; Phospholipid nucleoside conjugates; Fast atom  
bombardment mass spectrometry **83, 77**

**Ascorbyl palmitate;** Vitamin C; Antioxidant activity; Vesicle;  
ESR **83, 39**

**Bilayer asymmetry;** Cationic lipids; Membrane electrostatic;  
Phase diagram; Phospholipid; Solid supported vesicles **83, 9**

**Bilayer thickness;** Lipid; Liposome; DSC; Microinterferome-  
try; DPPC **83, 111**

**Calf;** Model triglycerides; Stereospecificity; Typoselectivity;  
Pregastric lipase; Young ruminants; Kid; Lamb **83, 161**

**Cationic lipids;** Bilayer asymmetry; Membrane electrostatic;  
Phase diagram; Phospholipid; Solid supported vesicles **83, 9**

**Chemical ionization;** Mycolic acids; Mass spectrometry;  
*Rhodococcus* **83, 93**

**Chloroform-membrane interaction;**  $^2\text{H}$ -NMR; Anesthesia;  
Phospholipid membrane **83, 25**

**Conformation;** Phosphatidylinositol; Infrared spectroscopy;  
High pressure; Dehydration; Hydrogen bonds **83, 141**

**Corynomycolic acids;** Mycolic acids; Thermospray; Mass spec-  
trometry **83, 123**

**Cytidine-5'-alkyl(acyl)deoxyglycerophosphonophosphates;** Cy-  
tidine-5'-alkylphosphonophosphate; Phospholipid nucleoside  
conjugates; Antiproliferative activity; Fast atom bombardment  
mass spectrometry **83, 77**

**Cytidine-5'-alkylphosphonophosphate;** Cytidine-5'-alkyl(a-  
cyl)deoxyglycerophosphonophosphates; Phospholipid nu-  
cleoside conjugates; Antiproliferative activity; Fast atom  
bombardment mass spectrometry **83, 77**

**Daptomycin;** Dioleoylphosphatidylglycerol; Fourier trans-  
formed infrared spectroscopy; High pressure; Lipopeptid **83,**  
**131**

**Dehydration;** Phosphatidylinositol; Infrared spectroscopy;  
High pressure; Conformation; Hydrogen bonds **83, 141**

**Deltamethrin;** Pyrethroid; Liposomes; DSC; Membrane fluid-  
ity; DPH fluorescence anisotropy **83, 61**

**Derivatives;** Prostaglandin F; Metabolite; PGF-M; Electron  
ionization; Mass spectrometry **83, 71**

**Dioleoylphosphatidylglycerol;** Daptomycin; Fourier trans-  
formed infrared spectroscopy; High pressure; Lipopeptid **83,**  
**131**

**DPH fluorescence anisotropy;** Pyrethroid; Deltamethrin; Lipo-  
somes; DSC; Membrane fluidity **83, 61**

**DPPC;** Lipid; Liposome; DSC; Microinterferometry; Bilayer  
thickness **83, 111**

**DSC;** Lipid; Liposome; Microinterferometry; Bilayer thick-  
ness; DPPC **83, 111**

**DSC;** Pyrethroid; Deltamethrin; Liposomes; Membrane fluid-  
ity; DPH fluorescence anisotropy **83, 61**

- Electron ionization;** Prostaglandin F; Metabolite; PGF-M; Derivatives; Mass spectrometry **83, 71**
- ESR;** Vitamin C; Ascorbyl palmitate; Antioxidant activity; Vesicle **83, 39**
- Fast atom bombardment mass spectrometry;** Cytidine-5'-alkylphosphonophosphate; Cytidine-5'-alkyl(acyl)deoxyglycerophosphonophosphates; Phospholipid nucleoside conjugates; Antiproliferative activity **83, 77**
- Fluorescence quenching;** Porphyrin-liposome interaction; Protoporphyrin IX; Liposome; Model membrane; Porphyrin-membrane distribution **83, 153**
- Fourier transformed infrared spectroscopy;** Dioleoylphosphatidylglycerol; Daptomycin; High pressure; Lipopeptid **83, 131**
- Glycolipid antigens;** *Mycobacterium tuberculosis*; Mycolipanic acid; Mycolipenic acid; Acyl- $\alpha,\alpha'$ -trehaloses **83, 1**
- $^1\text{H}$ - $^1\text{H}$  COSY;** Amino acid-containing lipid; Ornithine-lipid;  $^1\text{H}$ -NMR; NOESY **83, 169**
- High pressure;** Dioleoylphosphatidylglycerol; Daptomycin; Fourier transformed infrared spectroscopy; Lipopeptid **83, 131**
- High pressure;** Phosphatidylinositol; Infrared spectroscopy; Dehydration; Conformation; Hydrogen bonds **83, 141**
- $^1\text{H}$ -NMR;** Amino acid-containing lipid; Ornithine-lipid;  $^1\text{H}$ - $^1\text{H}$  COSY; NOESY **83, 169**
- $^2\text{H}$ -NMR;** Chloroform-membrane interaction; Anesthesia; Phospholipid membrane **83, 25**
- Hydrogen bonds;** Phosphatidylinositol; Infrared spectroscopy; High pressure; Dehydration; Conformation **83, 141**
- Infrared spectroscopy;** Phosphatidylinositol; High pressure; Dehydration; Conformation; Hydrogen bonds **83, 141**
- Kid;** Model triglycerides; Stereospecificity; Typoselectivity; Pregastric lipase; Young ruminants; Lamb; Calf **83, 161**
- Lamb;** Model triglycerides; Stereospecificity; Typoselectivity; Pregastric lipase; Young ruminants; Kid; Calf **83, 161**
- Lipid;** Liposome; DSC; Microinterferometry; Bilayer thickness; DPPC **83, 111**
- Lipopeptid;** Dioleoylphosphatidylglycerol; Daptomycin; Fourier transformed infrared spectroscopy; High pressure **83, 131**
- Liposome;** Lipid; DSC; Microinterferometry; Bilayer thickness; DPPC **83, 111**
- Liposome;** Porphyrin-liposome interaction; Protoporphyrin IX; Model membrane; Fluorescence quenching; Porphyrin-membrane distribution **83, 153**
- Liposomes;** Pyrethroid; Deltamethrin; DSC; Membrane fluidity; DPH fluorescence anisotropy **83, 61**
- Mass spectrometry;** Corynomycolic acids; Mycolic acids; Thermospray **83, 123**
- Mass spectrometry;** Mycolic acids; *Rhodococcus*; Chemical ionization **83, 93**
- Mass spectrometry;** Prostaglandin F; Metabolite; PGF-M; Derivatives; Electron ionization **83, 71**
- Membrane electrostatic;** Bilayer asymmetry; Cationic lipids; Phase diagram; Phospholipid; Solid supported vesicles **83, 9**
- Membrane fluidity;** Pyrethroid; Deltamethrin; Liposomes; DSC; DPH fluorescence anisotropy **83, 61**
- Metabolite;** Prostaglandin F; PGF-M; Derivatives; Electron ionization; Mass spectrometry **83, 71**
- Microinterferometry;** Lipid; Liposome; DSC; Bilayer thickness; DPPC **83, 111**
- Model membrane;** Porphyrin-liposome interaction; Protoporphyrin IX; Liposome; Fluorescence quenching; Porphyrin-membrane distribution **83, 153**
- Model triglycerides;** Stereospecificity; Typoselectivity; Pregastric lipase; Young ruminants; Kid; Lamb; Calf **83, 161**
- Mycobacterium tuberculosis*;** Mycolipanic acid; Mycolipenic acid; Acyl- $\alpha,\alpha'$ -trehaloses; Glycolipid antigens **83, 1**
- Mycolic acids;** Corynomycolic acids; Thermospray; Mass spectrometry **83, 123**
- Mycolic acids;** Mass spectrometry; *Rhodococcus*; Chemical ionization **83, 93**
- Mycolipanic acid;** *Mycobacterium tuberculosis*; Mycolipenic acid; Acyl- $\alpha,\alpha'$ -trehaloses; Glycolipid antigens **83, 1**
- Mycolipenic acid;** *Mycobacterium tuberculosis*; Mycolipanic acid; Acyl- $\alpha,\alpha'$ -trehaloses; Glycolipid antigens **83, 1**
- NOESY;** Amino acid-containing lipid; Ornithine-lipid;  $^1\text{H}$ -NMR;  $^1\text{H}$ - $^1\text{H}$  COSY **83, 169**
- Ornithine-lipid;** Amino acid-containing lipid;  $^1\text{H}$ -NMR;  $^1\text{H}$ - $^1\text{H}$  COSY; NOESY **83, 169**

**PGF-M**; Prostaglandin F; Metabolite; Derivatives; Electron ionization; Mass spectrometry **83, 71**

**Phase diagram**; Bilayer asymmetry; Cationic lipids; Membrane electrostatic; Phospholipid; Solid supported vesicles **83, 9**

**Phosphatidylinositol**; Infrared spectroscopy; High pressure; Dehydration; Conformation; Hydrogen bonds **83, 141**

**Phospholipid**; Bilayer asymmetry; Cationic lipids; Membrane electrostatic; Phase diagram; Solid supported vesicles **83, 9**

**Phospholipid membrane**; Chloroform-membrane interaction;  $^2\text{H}$ -NMR; Anesthesia **83, 25**

**Phospholipid nucleoside conjugates**; Cytidine-5'-alkylphosphonophosphate; Cytidine-5'-alkyl(acyl)deoxyglycerophosphonophosphates; Antiproliferative activity; Fast atom bombardment mass spectrometry **83, 77**

**Porphyrin-liposome interaction**; Protoporphyrin IX; Liposome; Model membrane; Fluorescence quenching; Porphyrin-membrane distribution **83, 153**

**Porphyrin-membrane distribution**; Porphyrin-liposome interaction; Protoporphyrin IX; Liposome; Model membrane; Fluorescence quenching **83, 153**

**Pregastric lipase**; Model triglycerides; Stereospecificity; Typospecificity; Young ruminants; Kid; Lamb; Calf **83, 161**

**Prostaglandin F**; Metabolite; PGF-M; Derivatives; Electron ionization; Mass spectrometry **83, 71**

**Protoporphyrin IX**; Porphyrin-liposome interaction; Liposome; Model membrane; Fluorescence quenching; Porphyrin-membrane distribution **83, 153**

**Pyrethroid**; Deltamethrin; Liposomes; DSC; Membrane fluidity; DPH fluorescence anisotropy **83, 61**

**Rhodococcus**; Mycolic acids; Mass spectrometry; Chemical ionization **83, 93**

**Solid supported vesicles**; Bilayer asymmetry; Cationic lipids; Membrane electrostatic; Phase diagram; Phospholipid **83, 9**

**Stereospecificity**; Model triglycerides; Typospecificity; Pregastric lipase; Young ruminants; Kid; Lamb; Calf **83, 161**

**Thermospray**; Corynomycolic acids; Mycolic acids; Mass spectrometry **83, 123**

**Typospecificity**; Model triglycerides; Stereospecificity; Pregastric lipase; Young ruminants; Kid; Lamb; Calf **83, 161**

**Vesicle**; Vitamin C; Ascorbyl palmitate; Antioxidant activity; ESR **83, 39**

**Vitamin C**; Ascorbyl palmitate; Antioxidant activity; Vesicle; ESR **83, 39**

**Young ruminants**; Model triglycerides; Stereospecificity; Typospecificity; Pregastric lipase; Kid; Lamb; Calf **83, 161**

The first part of the paper discusses the importance of the study and the objectives of the research. It also outlines the methodology used in the study and the results obtained. The second part of the paper discusses the implications of the study and the conclusions drawn from the research. The third part of the paper discusses the limitations of the study and the areas for future research. The fourth part of the paper discusses the significance of the study and the contributions it makes to the field of research. The fifth part of the paper discusses the practical applications of the study and the ways in which the findings can be used to improve practice. The sixth part of the paper discusses the ethical considerations of the study and the ways in which the research was conducted in a responsible and ethical manner. The seventh part of the paper discusses the funding of the study and the acknowledgments of the researchers. The eighth part of the paper discusses the references used in the study and the sources of information. The ninth part of the paper discusses the appendices and the additional information provided. The tenth part of the paper discusses the index and the ways in which the reader can find the information they are looking for. The eleventh part of the paper discusses the bibliography and the list of references. The twelfth part of the paper discusses the glossary and the definitions of the terms used in the study. The thirteenth part of the paper discusses the notes and the additional information provided. The fourteenth part of the paper discusses the figures and the tables included in the study. The fifteenth part of the paper discusses the conclusions and the final thoughts of the researchers. The sixteenth part of the paper discusses the acknowledgments and the thanks of the researchers. The seventeenth part of the paper discusses the references and the sources of information. The eighteenth part of the paper discusses the appendices and the additional information provided. The nineteenth part of the paper discusses the index and the ways in which the reader can find the information they are looking for. The twentieth part of the paper discusses the bibliography and the list of references. The twenty-first part of the paper discusses the glossary and the definitions of the terms used in the study. The twenty-second part of the paper discusses the notes and the additional information provided. The twenty-third part of the paper discusses the figures and the tables included in the study. The twenty-fourth part of the paper discusses the conclusions and the final thoughts of the researchers. The twenty-fifth part of the paper discusses the acknowledgments and the thanks of the researchers. The twenty-sixth part of the paper discusses the references and the sources of information. The twenty-seventh part of the paper discusses the appendices and the additional information provided. The twenty-eighth part of the paper discusses the index and the ways in which the reader can find the information they are looking for. The twenty-ninth part of the paper discusses the bibliography and the list of references. The thirtieth part of the paper discusses the glossary and the definitions of the terms used in the study. The thirty-first part of the paper discusses the notes and the additional information provided. The thirty-second part of the paper discusses the figures and the tables included in the study. The thirty-third part of the paper discusses the conclusions and the final thoughts of the researchers. The thirty-fourth part of the paper discusses the acknowledgments and the thanks of the researchers. The thirty-fifth part of the paper discusses the references and the sources of information. The thirty-sixth part of the paper discusses the appendices and the additional information provided. The thirty-seventh part of the paper discusses the index and the ways in which the reader can find the information they are looking for. The thirty-eighth part of the paper discusses the bibliography and the list of references. The thirty-ninth part of the paper discusses the glossary and the definitions of the terms used in the study. The fortieth part of the paper discusses the notes and the additional information provided. The forty-first part of the paper discusses the figures and the tables included in the study. The forty-second part of the paper discusses the conclusions and the final thoughts of the researchers. The forty-third part of the paper discusses the acknowledgments and the thanks of the researchers. The forty-fourth part of the paper discusses the references and the sources of information. The forty-fifth part of the paper discusses the appendices and the additional information provided. The forty-sixth part of the paper discusses the index and the ways in which the reader can find the information they are looking for. The forty-seventh part of the paper discusses the bibliography and the list of references. The forty-eighth part of the paper discusses the glossary and the definitions of the terms used in the study. The forty-ninth part of the paper discusses the notes and the additional information provided. The fiftieth part of the paper discusses the figures and the tables included in the study. The fifty-first part of the paper discusses the conclusions and the final thoughts of the researchers. The fifty-second part of the paper discusses the acknowledgments and the thanks of the researchers. The fifty-third part of the paper discusses the references and the sources of information. The fifty-fourth part of the paper discusses the appendices and the additional information provided. The fifty-fifth part of the paper discusses the index and the ways in which the reader can find the information they are looking for. The fifty-sixth part of the paper discusses the bibliography and the list of references. The fifty-seventh part of the paper discusses the glossary and the definitions of the terms used in the study. The fifty-eighth part of the paper discusses the notes and the additional information provided. The fifty-ninth part of the paper discusses the figures and the tables included in the study. The sixtieth part of the paper discusses the conclusions and the final thoughts of the researchers. The sixty-first part of the paper discusses the acknowledgments and the thanks of the researchers. The sixty-second part of the paper discusses the references and the sources of information. The sixty-third part of the paper discusses the appendices and the additional information provided. The sixty-fourth part of the paper discusses the index and the ways in which the reader can find the information they are looking for. The sixty-fifth part of the paper discusses the bibliography and the list of references. The sixty-sixth part of the paper discusses the glossary and the definitions of the terms used in the study. The sixty-seventh part of the paper discusses the notes and the additional information provided. The sixty-eighth part of the paper discusses the figures and the tables included in the study. The sixty-ninth part of the paper discusses the conclusions and the final thoughts of the researchers. The seventieth part of the paper discusses the acknowledgments and the thanks of the researchers. The seventy-first part of the paper discusses the references and the sources of information. The seventy-second part of the paper discusses the appendices and the additional information provided. The seventy-third part of the paper discusses the index and the ways in which the reader can find the information they are looking for. The seventy-fourth part of the paper discusses the bibliography and the list of references. The seventy-fifth part of the paper discusses the glossary and the definitions of the terms used in the study. The seventy-sixth part of the paper discusses the notes and the additional information provided. The seventy-seventh part of the paper discusses the figures and the tables included in the study. The seventy-eighth part of the paper discusses the conclusions and the final thoughts of the researchers. The seventy-ninth part of the paper discusses the acknowledgments and the thanks of the researchers. The eightieth part of the paper discusses the references and the sources of information. The eighty-first part of the paper discusses the appendices and the additional information provided. The eighty-second part of the paper discusses the index and the ways in which the reader can find the information they are looking for. The eighty-third part of the paper discusses the bibliography and the list of references. The eighty-fourth part of the paper discusses the glossary and the definitions of the terms used in the study. The eighty-fifth part of the paper discusses the notes and the additional information provided. The eighty-sixth part of the paper discusses the figures and the tables included in the study. The eighty-seventh part of the paper discusses the conclusions and the final thoughts of the researchers. The eighty-eighth part of the paper discusses the acknowledgments and the thanks of the researchers. The eighty-ninth part of the paper discusses the references and the sources of information. The ninetieth part of the paper discusses the appendices and the additional information provided. The ninety-first part of the paper discusses the index and the ways in which the reader can find the information they are looking for. The ninety-second part of the paper discusses the bibliography and the list of references. The ninety-third part of the paper discusses the glossary and the definitions of the terms used in the study. The ninety-fourth part of the paper discusses the notes and the additional information provided. The ninety-fifth part of the paper discusses the figures and the tables included in the study. The ninety-sixth part of the paper discusses the conclusions and the final thoughts of the researchers. The ninety-seventh part of the paper discusses the acknowledgments and the thanks of the researchers. The ninety-eighth part of the paper discusses the references and the sources of information. The ninety-ninth part of the paper discusses the appendices and the additional information provided. The hundredth part of the paper discusses the index and the ways in which the reader can find the information they are looking for.
